

Imara Trust Expands by Acquisition

We are delighted to announce that Imara Trust has acquired 100% of the issued share capital of FiducieForte Management Services Limited (“Forte”), a Mauritius management company.

This acquisition cements Imara Trust as one of the leading trust & corporate service providers in Mauritius and expands our business and international networks to ensure we provide an even more robust service for our current and future clients.

This represents an increase to our business by over a third and reaffirms that after 11 years in Mauritius we together with our principal shareholder, Imara Holdings Limited, continue to be long term supporters of the continued growth in Mauritius.

Forte is a Management Company licensed by the Financial Services Commission, to provide inter-alia, company formation and administration, as well as trusteeship services.

Forte has a reputation for quality based on strong client relationships and high compliance standards, evidenced by its consistent growth year on year.

We are delighted to add its talented team to our roster.
